

Vibhav Lal

Student | Maker & Builder | Competitive Speedcuber

[Eden Prairie, Minnesota] • [952-994-1771] • [mrvibhavlal@gmail.com]

PROFILE

Motivated and dependable high school student with a strong work ethic, hands-on problem-solving ability, and a positive, energetic attitude. Quick to learn, comfortable taking on new challenges, and known for building friendly relationships with others. Seeking a first part-time role where I can contribute reliably while growing my leadership and organizational skills.

EDUCATION

Eden Prairie High School Expected Graduation: 2029

Entering Sophomore Year (Grade 10)

- **Relevant coursework:** Algebra 2, Honors Biology, AP Human Geography

PROJECTS & ACHIEVEMENTS

- **Speedcubing record holder** – Holds a 17.7-second Rubik's Cube record recognized by the Midwest Cubing Association; competes regularly and trains daily to improve speed and consistency.
- **Woodworking** – Designed and built a wooden side table with working drawers from scratch, applying precise measurement, planning, and finishing skills.
- **Metalworking & welding** – Fabricated and welded a wall-mountable metal side table, learning safe tool handling and structural assembly.
- **Engineering through LEGO** – Created hundreds of original designs without instructions, including complex builds such as a Ferrari and a working internal-engine motion model demonstrating mechanical understanding.

SKILLS & STRENGTHS

- Strong work ethic, reliability, and a positive attitude
- Hands-on problem solving and spatial / mechanical reasoning
- Excellent interpersonal and communication skills; builds rapport easily
- Focus, patience, and attention to detail under pressure
- Eager and fast learner, comfortable following directions and routines

ACTIVITIES & INTERESTS

Strength training and fitness at the gym • Designing and building LEGO models • Competitive speedcubing • Woodworking and welding projects
